Supreme Court Justice Clarence Thomas should be Impeached, and elected officials at the Federal (President Barack Obama, Congresswoman Karen Bass), State, County (2nd District LA County Supervisor Mark Ridley Thomas), and City (10th District LA City Councilman Herb Wesson, 8th District LA City Councilman Bernard Parks) levels of government, etc., are a disgrace to the essence of what it means to be an elected official.

It won't be business as usual.....

<http://www.youtube.com/user/MLL1127/videos>

I'm a U.S. born, black and a descendant of slavery and I welcome the redistricting process to remove an incumbent or any other elected official who takes my vote for granted.

On Friday, October 7, 2011, LADWP workers escorted by a dozen or more police officers came to disconnect and disconnected power to my residence for nonpayment of LADWP utility bills while the LADWP continues to deprive and/or cheat me out of all earned retirement benefits. It takes income to pay bills. When a government agency, like the LADWP unlawfully deprives a law abiding citizen of property, that is a serious Constitutional violation. Furthermore the utility pole is on my property and not a single police officer provided a warrant, to give any government official the authority to climb the pole that is on my property. I'm a better than 30 year property tax paying resident of the County of Los Angeles, State of California, and a law abiding U.S. born descendant of slavery.

On Friday October 7, 2011, about 1 PM, I drove my Mom to Herb Wesson's field office, 1819 S. Western Ave., Los Angeles, Ca 90006, (323) 733-8233 for the purpose of getting Herb Wesson to do his job. I had to remain at home to set up a portable generator to power appliances to keep food from spoiling, etc. On Friday, October 7, 2011, shortly after 5 PM, my Mom, Mrs. Esther M. Lofton, an 81 year old law abiding citizen, the widow of Leon E. Lofton, Jr., an honorably discharged disabled draftee veteran buffalo soldier of WWII.

http://www.lapdonline.org/77th_street_community_police_station

My Mom, Mrs. Esther M. Lofton, was placed under "citizen's arrest" for "trespass" by a LA City Councilman Herb Wesson field office employee at 1819 S. Western Ave. The LAPD would not make the arrest without Herb Wesson et al taking responsibility for this unwarranted arrest. She was arrested and transported to the 77th Precinct Jail facility at 76th and Broadway. She was released on her own recognizance the following morning. LA City Councilman Herb Wesson et al have contempt for the Constitution and law abiding taxpaying constituents of the 10th District.

In most any U.S. History class students are taught that when government goes awry you have the right to

petition your elected official for redress. In the "inner-city" should a law abiding U.S. born descendant of slavery petition his or her elected official, you will be arrested & jailed by police as a result of a citizen's arrest being placed against you by Democratic Party affiliated Los Angeles City Councilman Herb Wesson's office, etc., which truly proves how inept black leaders are.

<http://ireport.cnn.com/docs/DOC-986798>

Furthermore past and present elected black leaders affiliated with the Democratic Party don't have a clue as to the essence of what it means to be an elected official. Elected officials are mandated by law and under oath to uphold his or her oath of office as mandated by the U.S. Constitution, to serve law abiding U.S. citizens, U.S. born descendants of slaves being inclusive and legal immigrants. This fact alone may very well kill off the "Democratic Party", the political party that serves illegal/undocumented immigrants, promotes "Jim Crow/Black Code Law Enforcement over the "rule of law", at the expense of the rights of law abiding U.S. citizens, and legal immigrants.

<http://ireport.cnn.com/docs/DOC-921922>

Speaking from experience, should a law abiding taxpaying inner-city resident and U.S. born descendant of slavery petition past or current day elected Black leaders affiliated with the Democratic Party for redress.....

.....President Barack Obama, U.S. Supreme Court Justice Clarence Thomas, former Congresswoman Diane Watson, Congresswoman Karen Bass, the Democratic Congressional Black Caucus, former 2nd District LA County Supervisor Yvonne B. Burke, 2nd District LA County Supervisor Mark Ridley Thomas, 10th District LA City Council Herb Wesson, 8th District Los Angeles City Councilman Bernard Parks, etc., etc., etc.

CALIFORNIA CONSTITUTION, ARTICLE 1 DECLARATION OF RIGHTS- SEC. 3. (a) The people have the right to instruct **their representatives**, petition government for redress of grievances, and assemble freely to consult for the common good.

<http://constitutionus.com/#x1>

US Constitution, Article I, Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to **petition the Government for a redress of grievances**.

Typically the petition is ignored, trashed, left unanswered, the petitioner receives a worthless response that has no connection to the serious issues presented, and/or you can be placed under *citizen's arrest for trespass*, as it pertains to the actual grievance presented to bring light to very serious criminal acts, civil tort violations, and truly un-Constitutional acts on the part of agents and officials of government!

.....The contempt for the "rule of law", the U.S. Constitution, shown to voters, such as yours truly, by these inept elected officials is causing U.S. born descendants of slaves to form alliances with the Tea Party movement, the Republican Party, and/or prompting untold numbers of the Black electorate to leave never to return to the Democratic Party.

Sincerely,
